

The first set of Questions and Answers received as a result of the Industry Day held on 28 Mar 07 for the MiDAESS acquisition have been posted for review. Included with this posting is a revised MiDAESS Industry Day registration that corrected some minor administration errors as well as a listing of current MDA contract information.

Please continue to direct any questions and inquiries on the MiDAESS acquisition to either our industry advocate, Professional Services Council (PSC) at MDAInfo@pscouncil.org or directly to MDA at MiDAESS@mda.mil.
