who may provide advice and recommendations regarding vital Total Army (Active Component, Army National Guard, and U.S. Army Reserve) Survivor quality of life issues. From those applications, nominees will be selected to advance in the selection process. Once selected, advisors assess how current Survivor programs and initiatives may affect the Survivor community.

Affected Public: Individuals or Households.

Frequency: Annually.

Respondent’s Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Seehra.

You may also submit comments and recommendations, identified by Docket ID number and title, by the following method:

Instructions: All submissions received must include the agency name, Docket ID number, and title for this Federal Register document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at http://www.regulations.gov as they are received without change, including any personal identifiers or contact information.

DOD Clearance Officer: Mr. Frederick Licari.

Requests for copies of the information collection proposal should be sent to Mr. Licari at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

Shelly E. Finke,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

DEPARTMENT OF DEFENSE
Office of the Secretary

Charter Renewal of Department of Defense Federal Advisory Committees

AGENCY: Department of Defense.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that it is renewing the charter for the Board of Advisors to the Presidents of the Naval Postgraduate School and the Naval War College (“the Board”).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703–692–5952.

SUPPLEMENTARY INFORMATION: This committee’s charter is being renewed in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102–3.50(d). The charter and contact information for the Designated Federal Officer (DFO) can be obtained at http://www.facadatabase.gov/. The Board provides independent advice on matters relating to the Naval Postgraduate School and the Naval War College. The Board shall be composed of no more than 10 members who are eminent authorities in the fields of academia, business, national defense and security, the defense industry, and research and analysis. Members of the Board who are not full-time or permanent part-time Federal officers or employees will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee members. Members of the Board who are full-time or permanent part-time Federal officers or employees will be appointed pursuant to 41 CFR 102–3.130(a) to serve as regular government employee members. Each Board member is appointed to provide advice on the basis of their best judgment without representing any particular point of view and in a manner that is free from conflict of interest. Except for reimbursement of official Board-related travel and per diem, Board members serve without compensation. The DoD, as necessary and consistent with the Board’s mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board, and all subcommittees must operate under the provisions of FACA and the Government in the Sunshine Act. Subcommittees will not work independently of the Board and must report all recommendations and advice solely to the Board for full deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Board. No subcommittee or any of its members can update or report, verbally or in writing, directly to the DoD or any Federal officers or employees. The Board’s DFO, pursuant to DoD policy, must be a full-time or permanent part-time DoD employee, and must be in attendance for the duration of each and every Board/subcommittee meeting. The public or interested parties may submit written statements to the Board membership about the Board’s mission and functions. Such statements may be submitted at any time or in response to the stated agenda of planned Board meetings. All written statements must be submitted to the Board’s DFO who will ensure the written statements are provided to the membership for their consideration.

Shelly E. Finke,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001–06–P

DEPARTMENT OF DEFENSE
Notice of Intent To Prepare an Environmental Impact Statement for Construction and Operation of a Homeland Defense Radar in Hawaii

AGENCY: Missile Defense Agency, Department of Defense.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: The Missile Defense Agency (MDA) announces its intention to prepare an Environmental Impact Statement (EIS) in accordance with the National Environmental Policy Act (NEPA) of 1969 and the Council on Environmental Quality Regulations for implementing the procedural provisions of NEPA. MDA is proposing to construct and operate a Homeland Defense Radar-Hawaii or HDR–H (a radar to identify, track, and classify long-range ballistic missile threats in mid-course flight), an In-Flight Interceptor Communication System Data Terminal or IDT (a facility that provides communication (incorporating data provided by HDR–H) between the Ground-Based Midcourse Defense fire control system and the interceptor that are both stationed elsewhere), and associated support facilities and infrastructure on the island of Oahu, Hawaii. The purpose of the Proposed Action is to support the United States (U.S.) ballistic missile defense system and enhance homeland defense capabilities in the Pacific region including Hawaii. The 2017 National Defense Authorization Act requires the MDA to develop a plan to procure and field a “discrimination radar” to improve the defense of Hawaii from ballistic missile threats. MDA is preparing the EIS to evaluate the potential environmental impacts that could result from the construction and operation of the HDR–H. The Department of Defense has not made a decision concerning the location of
where to construct and operate the HDR–H, but has initially evaluated the potential alternatives from a mission requirements standpoint.

**DATES:** The MDA invites public comments on the scope of the HDR–H EIS during a 45-day public scoping period beginning with publication of this notice in the Federal Register. Comments will be accepted on or before July 16, 2018.

**ADDRESSES:** Written comments, statements, and/or concerns regarding the scope of the EIS or requests to be added to the EIS distribution list should be addressed to MDA HDR–H EIS and sent by email to MDA.HDRH.EIS@kfs-llc.com, by facsimile at 256–713–1617, or by U.S. Postal Service to: KFS, LLC, Attn: MDA HDR–H EIS, 303 Williams Ave., Suite 116, Huntsville, AL 35801. Electronic or facsimile comments are preferred. If sending comments by U.S. Postal Service, please do not submit duplicate electronic or facsimile comments. All comments, including names and addresses, will be included in the administrative record.

**FOR FURTHER INFORMATION CONTACT:**
MDA Public Affairs at 256–450–1599 or 571–231–8210, or by email: MDAPressOperations@mda.mil. Additional information can be found at MDA’s website: https://www.mda.mil/news/nepa_documents.html.

**SUPPLEMENTARY INFORMATION:** In accordance with 40 Code of Federal Regulations (CFR) 1501.6, the U.S. Air Force, U.S. Army, and U.S. Navy will be cooperating agencies in preparing the EIS. Other cooperating agencies may be identified during the scoping process. Deployment of the HDR–H at a candidate location on Oahu would be within an approximate 160-acre notional boundary, as much as topography and environmental conditions allow, that would be cleared of vegetation, grubbed, and graded. The new facility site would include radar equipment, the Homeland Defense Radar Equipment Shelter, Mission Control Facility, IDT, Radar Cooling Shelter, Military Satellite Communications, Power Plant, and Bulk Diesel Fuel Storage. These mission critical facilities would be within a restricted fenced area. Located within or outside of the restricted area would be other mission support facilities that include an Entry Control Facility, Maintenance Facility, Water Supply and Treatment Buildings, Electrical Substation, and a remote Fuel Fill Station. Additional site utilities and roadways and transpports, including communications, electrical connections, water supply, sewer, stormwater drainage, fire protection, sidewalks, and parking would be located within and outside the restricted area.

In addition to the No Action Alternative, the EIS will analyze alternative sites for the proposed radar facility at: (1) Kuaokala Ridge on State land adjacent to Kaena Point Satellite Tracking Station and (2) Kahuku Training Area on the island of Oahu, Hawaii. If deployed at Kuaokala Ridge, the use of approximately 160 acres of State land within the Agricultural District (for the facility footprint, buffer, and construction laydown areas), as well as the right of access to the site, would be required. At each alternative location, impacts will be assessed for the following resource topics: Air quality, airspace management, biological resources, coastal zone management, cultural resources, geology and soils, hazardous materials and hazardous waste, health and safety, infrastructure and transportation, land use and recreation, noise, socioeconomics and environmental justice, water resources, and visual resources.

In addition to satisfying compliance requirements under NEPA, the EIS will also comply with the provisions of the Hawaii Environmental Policy Act (HEPA). MDA encourages all interested members of the public, as well as federal, state, and local agencies to participate in the scoping process for the preparation of this EIS. The scoping process assists in determining the scope of issues to be addressed, other alternatives that should be considered, and helps identify significant environmental issues to be analyzed in depth in the EIS.

Public scoping meetings will be held in the communities of Haleiwa, Waianae, and Honolulu on Oahu, Hawaii, within 30 days from the publication of this Notice of Intent. The meetings will be open to the public and provide the opportunity to speak with and ask questions of representatives from the MDA, U.S. Air Force, and U.S. Army. The meetings will have the same format and content at all locations. Notification of the public scoping meeting locations, dates, and times will be published and announced in local news media prior to the meetings.

Dated: May 25, 2018,

Shelly E. Finke,
Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001–06–P

**DEPARTMENT OF DEFENSE**

**Office of the Secretary**

[Docket ID: DoD–2016–05–0078]

**Submission for OMB Review:**

**Comment Request**

**AGENCY:** Office of the Under Secretary of Defense for Personnel and Readiness, DoD.

**ACTION:** 30-Day information collection notice.

**SUMMARY:** The Department of Defense has submitted to OMB for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

**DATES:** Consideration will be given to all comments received by July 31, 2018.

**ADDRESSES:** Comments and recommendations on the proposed information collection should be emailed to Ms. Jasmeet Seehra, DoD Desk Officer, at oira_submission@omb.eop.gov. Please identify the proposed information collection by DoD Desk Officer, Docket ID number, and title of the information collection.

**FOR FURTHER INFORMATION CONTACT:** Fred Licari, 571–372–0493, or whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil.

**SUPPLEMENTARY INFORMATION:**

Title: Associated Form; and OMB Number: Joint Personnel Adjudication System (JPAS); OMB Control Number 0704–0496.

Type of Request: Reinstatement, with change.

Number of Respondents: 22,225.

Responses per Respondent: 45.

Annual Responses: 1,000,125.

Average Burden per Response: 20 minutes.

Annual Burden Hours: 333,375 hours.

Needs and Uses: This information collection is necessary as the JPAS system requires personal data collection to facilitate the initiation, investigation and adjudication of information relevant to DoD security clearances and employment suitability determinations for active duty military, civilian employees and contractors requiring such credentials. As a Personnel Security System it is the authoritative source for clearance information resulting in accesses determinations to sensitive/classified information and facilities.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent’s Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Ms. Jasmeet Seehra.
