THIS IS HOW | SUPPLIER DIVERSITY

Supplier diversity is not a goal. It's a necessity. Partnering with small businesses provides agility and innovation to programs of national consequence. Because of diversity, we draw on a wider range of unique perspectives, developing revolutionary technologies that help keep our nation safe. In this spirit, Lockheed Martin and the Missile Defense Agency work together to provide new opportunities for Small Diverse Businesses.

HELPING TO DEFEND OUR NATION THROUGH EFFECTIVE MISSION ASSURANCE

When you need security-cleared professionals, find them on ClearanceJobs.com. As the nation's leading career site for defense professionals, ClearanceJobs offers:

- ★ The nation's largest database of security-cleared professionals available anywhere
- ★ Over 7,000 new cleared candidates each month
- ★ More than 400,000 candidates with active Federal security clearance

Creating Supplier Diversity Opportunities

Teamwork and diversity are keys to our success. For us, diversity is a source of strength and pride. Our diversity suppliers are a major part of what we do — we depend on them to help us manufacture and deliver exceptional products. We count on them as valued members of the Raytheon Company team.

Raytheon Company, with 2010 sales of \$25 billion, is a technology and innovation leader specializing in defense, homeland security and other government markets throughout the world. With headquarters in Waltham, Mass., Raytheon employs 72,000 people worldwide.
